

POLICY - 3.1.1 - OPERATIONAL SAFETY - GENERAL
SCOPE - ALL PERSONNEL

It is the policy of the District to promote safety in all phases of District operations. To that end, the District shall strive to provide safe equipment, necessary personal protection, and adequate training. It is the responsibility of every employee, volunteer and officer to cooperate in promoting safety and integrating safety procedures into all operations.

Every employee and volunteer is responsible for safety as a specific job assignment. To achieve the District's goal of providing a safe work place, everyone must be aware of safety at all times. Employees and volunteers shall report immediately any unsafe or hazardous condition directly to their immediate supervisor if the condition cannot be corrected safely and independently. Every effort will be made to remedy safety problems as quickly as possible.

For the protection of personnel, job-related injuries or illness must be reported immediately in accordance with appropriate policy. Personnel are expected to use common sense and good judgement in work habits and to follow safe work practices.
