

POLICY - 3.4.4 - RIDING APPARATUS
SCOPE - ALL PERSONNEL

Riding on the tailboard of apparatus is strictly forbidden.

Personnel being transported by District apparatus shall ride only in designated, secure positions and shall comply with the following:

1. Personnel en route to an emergency shall not don their protective clothing while the apparatus is moving.
2. Personnel shall correctly use the provided safety belts.
3. Personnel shall make use of hand-hold devices while embarking and disembarking the apparatus.
4. The apparatus driver shall not permit the vehicle to move until such time as all persons on board have stated their readiness.
5. The apparatus shall come to a complete stop prior to the disembarking of any personnel.
6. When provided, all personnel shall make use of hearing protective communication head-sets.
