

POLICY - 3.5.1 - EMERGENCY SCENE MANAGEMENT
SCOPE - ALL PERSONNEL

To increase safety for all personnel at the scene of an emergency call, all emergency operations shall be managed using a standard Incident Command System.

The Incident Commander shall provide for the appointment of an on-scene safety officer. If such an appointment is not made, the Incident Commander shall assume the responsibility and duties of safety officer.

It is the responsibility of the Incident Commander to account for all District personnel operating at the incident.
